## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement filed on January 21, 2009 has been considered by the Examiner.

### ***Allowable Subject Matter***

2. Claims 27-32, 35-37 and 39-50 are allowed.

The following is an examiner's statement of reasons for allowance: The primary reasons for the indication of the allowability of claims 27-32, 35-37 and 39-50 are:

Regarding claims 40, 27-32 and 39, the prior art does not teach or fairly suggest in combination with the other claimed limitations the core, wherein the flexible covering comprises a lip for enclosing the means for providing strain relief.

Regarding claims 41 and 35-37 the prior art does not teach or fairly suggest in combination with the other claimed limitations the core wherein the covering comprises an entry having an internal surface extending in a longitudinal direction of the core for abutting against a cable when inserted through the entry, and the entry is supported by the core when compressed.

Regarding claims 42-50, the prior art does not teach or fairly suggest in combination with the other claimed limitation, wherein the covering comprises first and second sealing members for receiving surrounding material therebetween formed by a recess in an outer periphery of the covering, and means for temporarily receiving the

Art Unit: 2831

second sealing member during insertion of the cable entry device into a hole of the surrounding material.

These limitations are found in claims 27-32, 35-37 and 39-50, and are neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
